

# Tantasia™ Self Tanner

Total Net Wt 124ml/4.2 fl oz e

PAO (Period After Opening) 12 months

## Application:

### Application for Face

1. Remove *Tantasia* tube from outer package.
2. Unscrew cap.
3. Squeeze a dime-sized amount of *Tantasia* onto the ring finger or a metal palette.
4. Touch the forehead, nose, cheeks, and chin with the ring finger to distribute product.
5. Using sweeping motions, start at the center of the face and blend the product with hands\* from the center of the face at the cheeks outward toward the temple.
6. Move to the center of the forehead and progress toward the right temple; return to your point of origin and progress toward the left temple.
7. Blend down the center of the nose and around the corners of the nose.
8. Blend over the right eye, and then the left eye.
9. Blend from the center of the chin outward along jaw line toward the ear.
10. Wash hands thoroughly.
11. Apply *Tantasia* daily until a golden tan has been achieved.
12. Use frequently to maintain color.
13. Apply *Powder Me SPF*, *PurePressed Base*, or *Amazing Base* over *Tantasia* for increased coverage and sun protection.

\*The *Blending Brush* may be used to blend *Tantasia*.

### Application for Body\*\*

1. Remove *Tantasia* tube from outer package.
2. Unscrew cap.
3. Squeeze an amount the size of a quarter in the palm of hand or onto a metal palette.
4. Rub hands together two to three times to distribute the product across palms.
5. Smooth on one section at a time until product is absorbed using long, back-and-forth strokes.
6. Repeat steps 3 – 5 until the desired coverage is reached.
7. Wash hands thoroughly.
8. Apply *Tantasia* daily until a golden tan has been achieved.
9. Use frequently to maintain color.
10. Apply *Powder Me SPF* over *Tantasia* for increased coverage and sun protection.

\*\* To minimize the chance of transfer to clothing, allow 15 – 20 minutes, longer if you can, before getting dressed. It's best to wear dark clothing immediately following application.

## Features and Benefits:

- Builds a gradual, natural looking tan within just three days, for optimum control and customization.
- Fresh citrus fragrance.
- Streak free formula.
- Sensitivity tested for multipurpose use on face and body.
- Provides natural hydration to the skin.

**What it is:**

- A moisturizing, natural self-tanner for face and body.

**What it does:**

- Produces a streak-free customized tan, naturally.
- Provides soothing, natural hydration for skin.
- Vegetable-sourced natural silicone makes your skin feel like silk.

**Skin type:**

All skin types

**Ingredients:**

Water/Eau/Aqua, Dimethicone, Cyclopentasiloxane, Vitex Agnus Castus Extract, Glycerin, PEG-Crosspolymer, Acetyl Tyrosine, Copper Gluconate, Dihydroxyacetone, Hydrolyzed Wheat Protein, Mica (CI 77019), Caramel, Citrus Grandis (Grapefruit) Peel Extract, Citrus Medica Limonum (Lemon) Fruit Extract, Xanthan Gum, Tocopherol, Sodium Chloride, Raphanus Sativus (Radish) Root Extract, Iron Oxides (CI 77489).

**Key ingredients:**

- A combination of Acetyl Tyrosine and Monk's Pepper (vitex angus castus)
  - Stimulates melanin synthesis
  - Leads to melanin formation, independent of sun exposure
  - Accelerates the melanin synthesis reaction
  - Leads to regular, even and persistent tan
- Copper Gluconate
  - Enzymatic bioactivator
  - Increases more even color
- Dihydroxyacetone (DHA)
  - Activates a beautifully natural-appearing, long-lasting color
  - Compensates for the differences in skin areas and allows a smooth golden color
- Wheat Protein
  - Hydrates the skin

**System:**

- *Powder-Me SPF, Amazing Base or PurePressed Base*
- *Blending Brush*

**Recommended preparation:**

- Apply to clean, moisturized skin.
