

# FOLLOW THAT LOOK

Escape the everyday, every day.

## Tantasia™ Self Tanner

Apply *Tantasia* Self Tanner to the face and body to build a natural looking tan. Repeat daily to build color until a golden tan has been achieved. Use frequently to maintain color.

### Face

- Using the *Chisel Powder Brush*, apply **Amber Amazing Base** using light, downward strokes.
- With the *Camouflage Brush\** apply *Active Light 2* to the under-eye area to highlight eyes and provide additional coverage as necessary. Using a stippling motion, lightly blend product into skin.

### Eyes

- Using the *Sculpting Brush*, cover entire lid with **Canvas Lid Primer**.
- Using the *Oval Blender Brush*, apply **Oyster** from the **goBlue Eye Steppes** to the lid.
- With the *Crease Brush*, apply **Rosy** from the **goBlue Eye Steppes** to the crease blending toward the inner brow bone.
- With the *Angle Definer Brush*, line the upper lash line and outer third of the lower lash line with **Swiss Chocolate** from the **goBlue Eye Steppes**.
- Using the *Eye Shader Brush*, apply **Oyster** under the brow bone and on the inner corner of the eye.
- Apply *PureLash Extender & Conditioner* to the upper and lower lashes followed by **Dark Blonde PureLash Mascara**.
- Use the **Blonde Bitty Brow Kit** to shape and enhance brows.

### Cheeks

- Using the *Dome Brush*, apply **Whisper PurePressed Blush** to the apples of cheeks.

### Lips

- Apply a touch of stain from **Desire Lip Fixation**, topping with complementary gloss.

\*Alternate application for home use only. *Active Light* may be applied directly to the skin from the wand, in place of the *Camouflage Brush*. Blend using finger tip.
